Re: *United States v. Frederick Kriemelmeyer*
Case No. 19-cr-90-wmc

Dear Judge Crocker:

The discovery is meant to be turned over in a week. Unfortunately, given the uncertain nature of my representation of Dr. Kriemelmeyer and the precise form that holds and the need for a protective order, the parties would request another week to turn over the discovery. That will give me time to talk with Dr. Kriemelmeyer and for us all to hammer out the protective order. Thus, I would request that the government be alleviated of its current obligation until August 9.

Thank you for your attention to this matter. Also, this letter in no way is meant to insert myself beyond what Dr. Kriemelmeyer has laid out and does not waive his previously stated constitutional and jurisdictional challenges to this case.

Sincerely,

/s/ Joseph A. Bugni
